

For the comfort and enjoyment of your pets and our guests, please:

- walk your dog in the field area across High Street
- make sure your pet has adequate food and water
- remember that your pet may need extra attention
- bring a favorite toy or bedding from home
- clean up after your pet; outdoor trash containers are located near entrances
- do not leave your dog unattended in room
- remove your pet while your room is being cleaned/maintained
- do not allow your pet to harm guests, other pets or furnishings
- keep your dog leashed in compliance with local leash laws

Note: Damage or disruption caused by your pet will result in a charge to your account. Our “pet friendly” rooms are #139 through #158. Please tell us if you are not assigned to a “pet friendly” room! Out of respect for other guests and local laws, pets are not allowed in the lobby, pool, restaurant or non-pet hallway areas.

Thank you for being a responsible pet owner! We hope you enjoy your stay with us!

BEACHES

Leashed dogs are permitted on Second (Sachuest) Beach-Middletown from 5:00 AM to 7:45 AM only during the season (5/1—9/30) and anytime during the off-season (10/1—4/30). Leashed dogs are permitted on First (Easton's) Beach-Newport during the off-season only (after 9/30 and before Memorial Day weekend).

DIRECTIONS TO DOG PARK

Take a left out of the hotel's main parking lot; then take a right at the light on to Admiral Kalbfus Road. Go straight, entering the rotary. Drive 3/4 of the way around the rotary, then exit. The dog park will be at the end of the road on the left. There are many other parks in the area; leash laws apply.

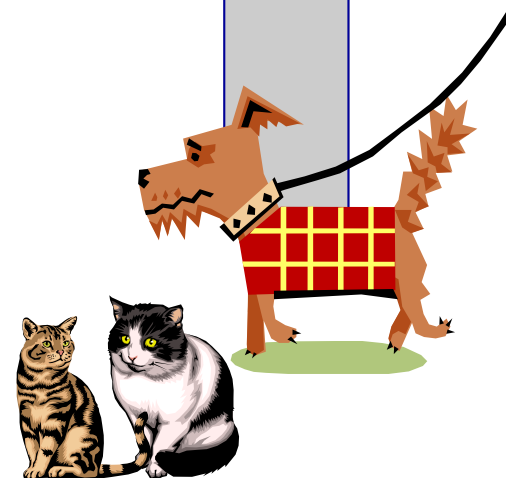

DINING

The law prohibits bringing pets into local restaurants. There are a number of dining options featuring outdoor seating, which in many cases enables you to see your vehicle (and monitor your pet) from your table. The following restaurants feature outdoor seating: Applebee's, Tuckers on Broadway, Rocco's on Broadway, Marina Grille on Goat Island, and IHOP (one block south).

MOST RESTRICTIONS DO NOT APPLY TO SERVICE ANIMALS.
